Charlottesville, Virginia 22903

Dear Mr. Leipelt:

On behalf of the members of Downtown Charlottesville, Incorporated I wish to congratulate all of the members of the German Cultural Society who helped to bring the Kreisjugendorchester of Idar-Oberstein to Charlottesville.

~~The citizens of Charlottesville who heard their concert on the Mall were~~ very impressed with the young performers and their director, Mr. Nitze. There have many compliments on their musical performance and their poise in meeting the townspeople. Truly a very meaningful exchange has taken place between the people of Charlottesville and the young people and their chaperones from Idar-Oberstein.

Please convey our compliments to Herrn Musikdirektor Nitze and the members of the orchestra for their masterful performances here. We hope to hear from them and look forward to a time when they might return.

Best wishes to you and the members of the German Cultural Society in Central Virginia.

Sincerely yours,

Donna P. Massey
